

YOUTH AND FAMILY

Youth and Family Committee.

*You now have a district committee! Jim Boggs, Brett Furhmann, Nate Bourman, and Mark Enter serve on this committee. We're trying to figure out how we can best serve you. We're meeting together, but we need your direction regarding how we can serve you moving into the future. How can we help support your ministry to your youths and families? How can we partner with you to serve them? A survey has been prepared and sent out. Please – pastors and/or youth leaders – fill this out so we know how we can walk with you in this area! **Look for this in your emails.***

Teen Devotions

A new weekly devotion for teens was launched in January of 2016. It is available to be read, shared, and subscribed to here: <http://wels.net/transformed>. It is also available on the mobile app.

Can you help?

There are a lot of ways to be involved in these camps. We always love counselors, leaders, teachers from our district. You will benefit from the experience as much as the kids – maybe more! We need help in the kitchen with meals and your stay at camp is FREE (It's almost like a free week at Camp Shiloh!)! Talk to us or Mark Enter at Camp Shiloh to find out more details (903-855-6583 or director@campshilohretreat.org).

For more information about Youth and Family stuff in our district or synod contact me at: nate@my242church.com or 817.845.6807. Thankful to walk with you in this area.

FLYERS available in the back! Take some home and pass them out.
